

THE OLD TESTAMENT. (Douay Rheims) *Order No. 6.* “The dignity of the Scriptures is such that having for Author God Himself, they contain His most exalted mysteries, designs, and works.

About the Savior of the human race, nothing is more fruitful and more significant than what is found throughout the entire Bible; and Jerome was right when he affirmed that ‘ignorance of the Scriptures is ignorance of Christ.’” (Pope Leo XIII *Providentissimus Deus*).
