

PREPARATION FOR DEATH. *Order No. 65.* Pope Gregory XVI stated "...there is nothing worthy of censure,... The opinions of St. Alphonsus may be followed in the pulpit as well as in the confessional, even if one has not maturely examined the reasons upon which the opinions are founded, provided only that one does not regard it as a reproach to those who follow the opinions of other approved authors."

Pope Pius IX declared St. Alphonsus Maria a Doctor of the Church. He also wrote, "We greatly commend your pious undertaking, and we encourage you to continue with still grater diligence in endeavoring to spread the most wholesome writings of St. Alphonsus every day more and more. To read them cannot but be of the greatest advantage, not only to Christians in general, but also to ecclesiastics, and to those especially who have the care and the directions of souls."
