

GOD WITHIN US. *Order No. 17.* The most popular of all Father Raoul Plus' numerous books, and translated into a dozen languages, God Within Us explains in layman's language the ineffable mystery of God's presence within us through sanctifying grace and the indwelling of the Holy Trinity. It would be difficult to imagine anything in the supernatural life more concrete, and more striking, than the mystery of "God within Us." It is this mystery which has been put forth with such lucidity, and in so convincing a manner, in this book. Imprimatur 1924. Four Tapes read by AM. **Now available in MP3 format.**
