

As you know I have been in many places, but I've never been in Cahoots. Apparently, you can't go alone. You have to be in Cahoots with someone. I've also never been in Cognito. **I hear you loud and clear; and I agree - I must be in Cahoots with someone so it might as well be you or I'll end up in Cognito. I might NOT like it there and not know my way back here. I hear no one recognizes you there.**

I have, however, been in Sane. I know what you mean - I've been there too and not sure I wanna go back! They don't have an airport; you have to be driven there. Transportation there is the pits however you're the first to admit you've been down that path also. I have made several trips there, thanks to my friends, family, and work. I would like to go to Conclusions, but you have to jump, and I'm not too much on physical activity anymore. **I did jump, once, and I almost didn't make it. Twas almost like I was stuck in Limbo and Limbo is also NO place anyone I know wants to go!** I have also been in Doubt. That is a sad place to go, and I try not to visit there too often. I've been in Flexible, but only when it was very important to stand firm. **In Doubt, in Flexible, in Capable are 3 places I've been without ever jumping into Conclusions.** Sometimes I'm in Capable, and I go there more often as I'm getting older.

One of my favorite places to be is in Suspense! **Ah, to be in Suspense - it is a place where the heart does race & its pressure skyrocket** - It really gets the adrenalin flowing and pumps up the old heart! At my age I need all the stimuli I can get!
