

## Magic Bank Account

Imagine that you had won the following \*PRIZE\* in a contest: Each morning your bank would deposit \$86,400 in your private account for your use.

### However, this prize has rules:

1. Everything that you didn't spend during each day would be taken away from you.
2. You may not simply transfer money into some other account.
3. You may only spend it.
4. Each morning upon awakening, the bank opens your account with another \$86,400 for that day.
5. The bank can end the game without warning; at any time it can say, "Game Over!" It can close the account and you will not receive a new one.

What would you personally do?

You would buy anything and everything you wanted right? Not only for yourself, but for all the people you love and care for. Even for people you don't know, because you couldn't possibly spend it all on yourself, right? You would try to spend every penny, and use it all, because you knew it would be replenished in the morning, right?

ACTUALLY, This GAME is REAL ... Shocked ? YES! Each of us is already a winner of this \*PRIZE\*. We just can't seem to see it. The PRIZE is \*TIME\*

1. Each morning we awaken to receive 86,400 seconds as a gift of life.
2. And when we go to sleep at night, any remaining time is NOT credited to us.
3. What we have not used up that day is forever lost.
4. Yesterday is forever gone.
5. Each morning the account is refilled, but the bank can dissolve your account at any time WITHOUT WARNING...

**SO, what will YOU do with your 86,400 seconds?**

Those seconds are worth so much more than the same amount in dollars. One second of time is enough to make an act of perfect love of God. One perfect act of love can forgive all sins and merit a higher degree of glory for eternity. Think about it and remember to enjoy every second of your life by living in the state of sanctifying grace, enjoying the friendship of Almighty God. Time races by so much quicker than you think. So take care of yourself, be happy, love deeply Almighty God and your neighbor for the love of God, and enjoy life here in the state of sanctifying grace that you will enjoy life in heaven forever!

Here is wishing you a wonderful and beautiful day. Start "spending wisely."

When every new Day arrives, recall that God just gave you 31,536,000 seconds during the past year. How did you use it? The day will come for each of us when "time will be no more." "Now is the acceptable time, now is the day of salvation." If you live to the end of another year what will you do with over 31 ½ million seconds of time? Reflect on what you might have done if the day you were born \$3,153,600,000 had been deposited into a personal account for your use. If you live to celebrate your 100<sup>th</sup> birthday that is how many seconds of precious time God will give you on earth. But what is over 3 billion seconds of time compared to the unending eternity? If each of us took enough time every day to consider these truths seriously we would not waste any moments of our life. Think very often every day about HEAVEN while you recall such things as

what St. Paul wrote: “*That eye hath not seen, nor ear heard, neither hath it entered into the heart of man, what things God has prepared for them that love him.*” Multitudes of souls go to hell every day because they do not think of hell very often during life. Therefore, think often about HELL where *eye hath not seen, nor ear heard, neither hath it entered into the heart of man, what things God has prepared for them that reject His grace and die in the state of mortal sin.*” Think often about DEATH, JUDGEMENT and ETERNITY because it is *appointed unto man once to die and after death the judgment*; and after the judgment it will be heaven or hell for eternity. Everyone will receive two important judgments. The first one happens the moment they die and stand before Almighty God to receive their particular judgment. The second one happens at the end of time, when Jesus Christ will come again to judge the living and the dead. It is often referred to as the general judgment, and on that day every thought, word, and deed of each human being during their lifetime will be made known to every other human being ever created during the entire history of the world.
